

- *The cover letter is your opportunity to tell the hiring manager why you're the right candidate for the job. You want to stand out and grab the reader's attention.*
- **Tips:** Do Your Research.
 - Any recent news/ media appearances by the company?
 - Something about their mission or culture, or client group that stands out.
 - Is the company meeting its objectives/goals?
 - How might your skills and experiences fit with the job requirements?
